MARCIN KALA

JUNIOR FRONTEND DEVELOPER

I am a person with a strong desire to learn and grow in the field. I recently finish coding bootcamp in **Software Development Academy**, where I gained a solid foundation in web development technologies, including **HTML**, **CSS**, **JavaScript** and **React**. I am eager to apply my knowledge and skills to a full-time position where I can continue to learn and develop as a frontend developer. I am a quick learner and have a strong work ethic, and I believe that I would be a valuable addition to your team.
